Access Alliance announces full Accreditation by the Canadian Centre for Accreditation

TORONTO, April 23, 2015 – On Wednesday, March 18, the Canadian Centre for Accreditation (CCA), made the decision to fully accredit Access Alliance Multicultural Health and Community Services.

Access Alliance is proud to be accredited through the CCA, a third-party review based on accepted organizational practices that promote ongoing quality improvement and responsive, effective community services. As a part of our accountability to the public and the communities that we serve, the accreditation process was undertaken to provide an external review of Access Alliance's operations in relation to accepted standards and practices.

“We work hard to ensure that we're always providing the highest quality of programs, services, and facilities to ensure that our clients can achieve health with dignity. This accreditation is recognition of the effort we put forward on a day-to-day basis and our commitment to continuous improvement” said Axelle Janczur, Executive Director, Access Alliance Multicultural Health and Community Services.

Access Alliance Multicultural Health and Community Services will be fully accredited for a period of four years.
