

Access Alliance Multicultural Health and Community Services is a community health centre that aims to improve health outcomes for the most vulnerable immigrants, refugees, and their communities. We do this by facilitating access to services and addressing systemic inequities. We actively seek to break down silos and build linkages with other agencies to increase access to the services needed by these population groups.

From three locations in the city, we offer resources, provide links, conduct research and build capacity to enable individuals, families and communities to achieve health with dignity. We also operate a social enterprise providing interpretation, translation, and language access initiatives support, engaging a network of professionals to deliver quality language services in over 180 languages.

We are currently recruiting for one board member position. Access Alliance has a policy board governance framework. The ideal candidate will have expertise in one of the following areas: finance, law, or risk management, and preferably have prior board experience. We especially welcome applicants that reflect the diversity of the communities we work with.

If you are interested in the position, please fill out the google form (link below), and email an updated CV to Arman Hamidian, Board Chair at Access Alliance, at arman.hamidian@gmail.com. The deadline for the application is 11:59 pm on September 30th. Thank you for your interest.
