

Title	Primary Care Physician
Position Type	Permanent, 35 hours/week, minimum 21 hours per week
Posting Date	2020/12/10
Expiry Date	Open until position filled
Posting Type	External
Short Description	<p>We are looking for a primary care physician who wants to work in a team based setting and make a real difference in the lives of vulnerable individuals and families who have recently immigrated to Toronto and face challenging health and social issues. If that is you, then please consider this exciting opportunity to be a primary care physician at Access Alliance Multicultural Health and Community Services at our AccessPoint on Danforth location (Victoria Park and Danforth).</p> <p>Access Alliance Multicultural Health and Community Services is committed to and works to promote health and well-being and improved access to services for immigrants and refugees in Toronto by addressing medical, social, economic, settlement and integration and environmental issues. The Centre envisions a future in which diverse individuals, families and communities can achieve health with dignity.</p> <p>Our dynamic and collaborative inter-professional team includes family physicians, nurse practitioners, nurses, social workers, dietitians, physiotherapist, psychiatric consultants, health promoters and a cutting-edge language interpretation service. We are strongly committed to increasing access, equity and quality in the care and support we provide. We operate three well-equipped sites, covering the city's west end, east end and downtown as well as digital platforms that allow our clients to connect with us from their home when appropriate. All of our sites are easily accessible by public transport. To learn more about Access Alliance, our programs, services and locations, please visit our website: http://accessalliance.ca.</p> <p>We are seeking a primary care physician who embraces our fundamental values as well as our holistic approach to primary care. In our model, physicians deal with a complex and challenging roster of clients supported by the skills of an integrated health team including education, health promotion, prevention and early intervention. We encourage everyone to work at their highest capacity.</p>
Detailed Description	<p>QUALIFICATIONS, SKILLS AND EXPERIENCE:</p> <ul style="list-style-type: none"> • Current license to practice medicine and registered with the College of Physicians and Surgeons of Ontario • Current CMPA coverage • Strong clinical skills and the ability to manage multiple and complex health issues in a timely manner • Demonstrated ability, commitment to and knowledge of community health care; • Demonstrated understanding of and ability to work in an interdisciplinary team environment; • Excellent interpersonal skills with clients in a culturally diverse practice population; • Excellent communication, decision-making, problem-solving, conflict and time management skills; • Proficiency in the use of computers and appropriate software applications; • Second language, relevant to catchment area populations, is an asset. • ability to work flexible hours, including some evenings and on-call • commitment to anti-racism, anti-poverty and combating other forms of discrimination • 2 years or more of practice experience is an asset
